Investments made By MNCs in the backward districts

1449. PROF. M.M. AGARWAL: Will the minister of COMMERCE AND INDUSTRY be pleased to state:

(a) the details of investment made by the multinational companies in the backward districts of the country.

(b) the projects on which the multinational companies invested; and

(c) the details of work done by the companies during the last three years in the country particularly in the backward districts of the country?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (DR. RAMAN): (a) During the last three years (from 1.1.98 to 30.9.2000), the foreign/multinational companies have invested a total amount of Rs. 42923.43 crore in the country.

Choice of location of projects depends on the commercial judgement of the investors. It depends on the availability of adequate and dependable infrastructure facilities such as power, developed land, etc., and inventives and subsidies provided by State Governments for attracting investment into the States and Union Territories.

(b) Project-wise approvals are reflected in the Monthly SIA Newsletter brought out by this Departm[illegible]t, which is [illegible]dely circulated, including the Library of the House.

(c) These data are not cen[illegible]ally maintained.
